

MUSIC OF THE WORLD • VOICE OF THE COMMUNITY

KVMR NEWS AND PUBLIC AFFAIRS PROGRAM PROPOSAL FORM:

Thank you for your interest in KVMR's programming. KVMR provides community members opportunities to connect through the development and production of music, news and public affairs programs that entertain, inform and educate. Your proposal will be reviewed by the KVMR Program Committee and we will respond to your request no later than 3 months from the date you submit this form.

When making decisions about program changes, we may consider the following:

Does the new program have enough volunteers interested in hosting, producing or engineering it?

Are there already shows like it on the schedule? If so, could the proposed show be incorporated somehow with existing programs already on the schedule?

What program would we have to take off our current schedule to create time for it?

If the program committee believes your show is a good fit, we will ask you to create a pre-recorded demo to review. You will also be asked to take the broadcaster training course we offer once a year.
