MUSIC AND OPERATIONS UPDATE

Music Director Dooley described himself as a liaison between the music product and broadcasters. He has many music reviewers specializing in specific genres who review the music for FCC bad words as well as recommendations for new music to be played on the air. The music is recorded digitally.

Director Ritti arrived at 6:38 p.m.
Sean went on to reflect on how he pitches ideas to broadcasters and keeps communication open. Sean also stated that he assists Program Director Baker with program and broadcaster scheduling as well as anything else to lighten Program Director Baker’s workload.

Sean is excited to be working on the KVMR2 project. He stated that two broadcaster training classes for KVMR2 are beginning with a completely (younger) different demographic than present KVMR. At the completion of the classes, the new broadcasters will submit their preference for shows that will be counter programming to KVMR1. With many details still to be worked out, the tentative timeline for a soft launch of KVMR2 is April 1st -- April Fools Day.

Discussion ensued.

The Board thanked Sean for his enthusiasm and dedication to KVMR.

**PRESIDENT’S REPORT**

Reflecting on the recently held worldwide Women’s March, President McIntire stated that what KVMR does by supporting free speech is even more important than ever before.

President McIntire stated that the grant deed for the new KVMR building was recorded on January 6 as well as the grant deed for the Nevada Theatre. A facilities agreement is currently being worked on with the Nevada Theatre. Former President Mary Ross continues to work tirelessly on this project.

The loan modification agreements have been worked out with the shorter term note being extended to December 31. The security for the loans is the grant deed. It was consensus of the Board to support title insurance if required by the lender. The agreements will be brought back to the Board for final approval.

President McIntire stated that approximately $291,000 is due December 31 and that her New Year’s resolution is to work on reducing this amount. Responding to Director Wilcox regarding if the new Presidential administration could take revenue away from the station, General Manager Chiarelli stated that $130,000 could be taken away if public broadcasting is defunded. She stated that we spend our CPB grant funds a year in the arrears so we would have a year to raise funds in other ways if defunded. General Manager Chiarelli will keep the Board apprised of any news regarding defunding.

President McIntire stated that the Asker Workshop is scheduled for February 28 from 4:30 p.m. to 6:30 p.m.

**GENERAL MANAGER’S REPORT**

General Manager Chiarelli stated the February “Get Inspired” membership drive will be held February 13–19 and show a positive approach highlighting activism for current times. Tentative guests include Julia Butterfly Hill, Becky Chavez (Cesar Chavez’s niece), Dolores Huerta, and Debra Weistar. Special gifts will include an Eton emergency crank radio and a Kani Ka Pila t-shirt.

General Manager Chiarelli reported that the new Angels Camp translator is on the air at 99.3 but an application has been filed to move the signal to 99.5 to reduce interference from another station. The sale of the Tracy translator construction permit has been finalized and
we are in negotiations with another organization over the location of the Woodland translator that has preliminarily been agreed to move from Woodland to Berryessa, pending finalizing a contract with the other party.

General Manager Chiarelli reported that Betty Louise, a newly certified broadcaster, and Susan Davis have recently been awarded a $5,000 grant from California Humanities. Their project, “A Place to Call Home,” centers around stories of Nevada County homeless people. It was conceived through KVMR’s Story Catcher project led by Ralph Hanson.

General Manager Chiarelli informed the Board that a Live broadcast of the Adult Use of Marijuana Act forum will be held on January 30 from 6 to 8 p.m. at the Nevada Theatre. A Dementia Community Forum/Town Hall meeting co-hosted with Sierra Nevada Memorial Hospital Foundation and Atria will be held from 6 to 8 p.m. on January 31 in the Nevada Theatre.

Director Franco talked about the necessity for taking care of risk assets such as the Celtic Festival.
